

# No Money Rag

(C) Rick McKeon 2006

I ain't got no fancy cloths, but I ain't goin' no

where. And I ain't got no money to spend, but

I don't really care. Now, you might think I'm

10

poor and lowdown, but that don't bother me none. Just

13

come on along, we'll we'll pick the guitar, and we'll have some

16

fun! (Oh Yeah!)
